

Welcome to the Lockwood Referral Program!

We like you so much that we want to see more people like you! Sharing is caring so please send us people you'd love to see represent our Lockwood family!

The Lockwood Group is always looking for great people to join the team, and you can help, whether you are an employee or friend of the company. Do you know someone who you think would be a great addition to our organization and meets the qualifications of an existing open requisition? Then refer them for employment! If they are hired, it will be worthwhile!

Refer candidates who meet the qualifications to the Talent Acquisition Team at talent@thelockwoodgroupllc.com.

If your candidate is hired, you will be awarded after the candidate successfully passes the probationary period and meets the Terms and Conditions of the Referral Program. Terms and Conditions for the program are available upon request.
